The Sportsman's Prayer

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair,
A chance that is equal with all in the strife,
A courage to strive and to dare.
And if I should win let it be by the code.
With my faith and my honor held high,
And if I should lose let me stand by the road,
A cheer as the winners go by.
And Lord may the shouts be ungrudging and clear,
A tribute that comes from the heart,
And let me not cherish a snarl or a sneer,
Or play and sniveling part.
Let me say, "There they ride on whom laurels bestowed
Since they played the game better than I."
Let me stand with a smile by the side of the road,
And cheer as the winners go by.
So grant me to conquer, if conquer I can,
By proving my worth in the fray,
But teach me to lose like a regular man,
And not like a craven, I pray.
Let me take off my hat to the warriors
To victory splendid and high,
Yes, teach me to stand by the side of the road,
And cheer as the winners go by."

Now, my counselor tells me that here's a law that states that no one can drop P.E. and have more than three classes a day. He gave me no explanation about the law, but simply cut me off by saing "That's the way it goes."
